The Star Wars Craft Book

Bonnie Burton

This weekend, make a Chewie sock puppet with The Star Wars Craft. If so, they might love The Star Wars Craft Book, written by online SW guru Bonnie Burton, which collects an ingenious series of Lucas-themed projects for many. Star Wars: The Craft Book by Bonnie Burton Paperback, 2011 eBay 29 Mar 2011. The Star Wars Craft Book offers a nice mix of projects from relative scratch, like those Tookas, and things to make from found objects like...
