Willies Fire-engine

Charles Keeping

Willies Fire-engine is a classic children's book that has been well-received by both parents and children. The story is simple but engaging, and the illustrations are colorful and appealing. The book is suitable for children aged 3-7 years old.

Willies Fire-engine has won several awards, including the Children's Book Award from the American Library Association and the Children's Book Award from the British Library. It has also been translated into several languages and is available in many countries around the world.

In conclusion, Willies Fire-engine is a delightful and heartwarming children's book that will appeal to both children and adults. It is a must-read for any family with young children who love stories about fire engines.
